Dear Dr Gaskin,

You have our permission to use all versions of the Working Alliance Inventory (WAI) in your research: "AI as an assistant to therapists, patients, and caseworkers". Please be aware that we require publishing the following note at the end of the measure:

We wish you the best in your work. Please consider joining the Society for Psychotherapy Research, an international, multidisciplinary scientific association devoted to research on psychotherapy. SPR also plays an important role in providing opportunities for interaction and dialogue between researchers and clinicians interested in psychotherapy.
